

VETT 219 - VIDEO CAPSTONE VETERINARY NURSING I 2 CREDITS

SYLLABUS

CATALOG DESCRIPTION

Video Portfolio: Veterinary Nursing I is an advanced level course specifically designed to instruct students in the performance of required hands-on clinical tasks for veterinary nursing. Students will be required to produce and submit a video on specific and required veterinary nursing tasks. The video is requirement for all veterinary technology program students based on AVMA/CVTEA accreditation criteria.

Prerequisites: VETT-210 and VETT-212 and student must have clinical and preceptor approved.

Semester Offered: Spring, Summer, and Fall semesters.

GENERAL EDUCATION STUDENT LEARNING OUTCOMES

In the New Mexico General Education Curriculum students take courses in a variety of content areas, which may include Communications, Mathematics, Science, Social and Behavioral Sciences, Humanities, and the Creative and Fine Arts. Specific course requirements depend on your program. All general education courses focus on at least three of these skills. Other courses may also develop these skills.

Through these courses, students develop five essential skills:

COMMUNICATION

QUANTITATIVE REASONING

CRITICAL THINKING

PERSONAL AND SOCIAL RESPONSIBILITY

INFORMATION AND DIGITAL LITERACY

Student work from this class may be randomly selected and used anonymously for assessment of course, program, and/or general education learning outcomes. For more information, please refer to the Dean of the appropriate School.

COURSE LEARNING OUTCOMES

Upon successful completion of the course, the student will be able to...

Videotape and demonstrate proficiency per CVTEA* and SJC VTDLP standards (as outlined in the course video instructions document) the following tasks:
