

SYLLABUS

CATALOG DESCRIPTION

Students will work with their current company and apply the learnings from the oil and gas industry training classes. Students will be supervised and evaluated by their immediate company supervisor. Credit for the course is dependent upon a satisfactory evaluation form submitted by the supervisor to the School of Energy program coordinator.

Prerequisites: ENER 180 and 240

Semester Offered: Fall, Spring and Summer

Common Student Learning Outcomes

Upon successful completion of San Juan College programs and degrees, the student will demonstrate competency in...

BROAD AND SPECIALIZED LEARNING

Students will actively and independently acquire, apply, and adapt skills and knowledge with an awareness of global contexts.

CRITICAL THINKING

Students will think analytically and creatively to explore ideas, make connections, draw conclusions and solve problems.

CULTURAL AND CIVIC ENGAGEMENT

Students will act purposefully, reflectively, and ethically in diverse and complex environments.

EFFECTIVE COMMUNICATION

Students will exchange ideas and information with clarity in multiple contexts.

INFORMATION LITERACY

Students will be able to recognize when information is needed and have the ability to locate, evaluate, and use it effectively.

INTEGRATING TECHNOLOGIES

Students will demonstrate fluency in the application and use of technologies in multiple contexts.

Student work from this class may be randomly selected and used anonymously for assessment of course, program, and/or institutional learning outcomes. For more information, please refer to the Dean of the appropriate School.

Course Learning Outcomes

Upon successful completion of the course, the student will be able to...

Upon successful completion of ENER 280, the student will be able to:

Demonstrate the desire to perform effectively and efficiently in the oil and gas industry

Apply learnings from oil and gas industry training classes to improve their current skills and knowledge set.

Students will be required to submit a completed evaluation form from their supervisor to receive credit for the course. Specific learning outcomes will be determined by the student's company.
