- After every chapter you will have to take a timed test in Canvas, in which you are going to apply the topics, vocabulary, and grammar concepts you learned.
- All tests must be taken individually without using notes or online translators.
- It is crucial to study before taking the test because you only have one attempt to complete it.

5. Mid-Term and Final Presentations:

Participation and Attendance Policy

- Daily attendance and active class participation through Zoom.us are necessary and mandatory for improving your communication skills and your understanding of the language.
- Active participation is very important in a synchronous Spanish course. Participation is evident in your willingness to be actively involved, turning in assignments, emails to the instructor, checking your grade on a weekly basis, checking your assignments daily, and participating with other classmates.
- In addition to active participation, you need to do the following:
 - Check Canvas daily and on a frequent basis.
 - Start early and allocate enough time to complete the assignments.
 - Complete all vocabulary practices, journals, and assigned activities in MindTap on time.
 - Participate in class discussions.
 - Follow instructions, guidelines and advice for completing assignments
- It is important to log into Canvas frequently to check for homework and emails. You must have good communication with your instructor.
- Communicate with me about any problems related to the course and your ability to complete the assignments and understand the material. If a problem arises, email or call me as soon as possible - do not wait until the assignment is due. Please use CANVAS email to communicate with me. Keep in touch and ask for help.
- Numerous absences prevent you from learning core objectives to the class
- Punctuality is expected. Coming late to class disrupts your instructor, classmates and everyone's learning. We will frequently be working in groups and your tardiness will affect the group's assigned work. Come to class on time and be prepared. No matter what the reason for the tardiness or absence, failure to attend class always results in missed opportunities to hear and speak Spanish.
- Daily class activities receive a "Participation" grade that cannot be made up. Absences will affect your grade. In case of absence, it is your responsibility to

communicate with me. You are required to go on Canvas and see what assignments need to be completed.

- If you are absent, the required assignments are still due on the designated due date.
- Please do not ask me to make exceptions for you as it is not fair to the rest of the class.

Other Classroom Policies and Expectations

1. Zoom Meeting Etiquette:

- Mute your audio if you are not speaking.
- Have your camera on during class.
- Remember this is a class and we need to dress appropriately.
- Setting should be a quiet place without distractions. Do not sit in front of windows or doors.
- Be prepared with your vocabulary and grammar concept notes.
- Don't interrupt other people when they are speaking (or attempt to speak over them).
- Test all technology before the meeting.
- Don't work on other tasks (like checking email) during the class.
- Only post chat messages relevant to the lessons.
- Pay attention and participate

2. Please refrain from using Online translators to translate entire sentences and/or paragraphs. One of the goals of this course is for you to learn how to express yourself in Spanish. Online translators are not always accurate and will not help you achieve your learning goals in this class. Using an Online translator is a form of plagiarism as it is not your work. If I recognize the use of an Online translator for an assignment you will receive a zero.

3. Late assignments turned in up to two days after the due date will be graded on 90% if you have made prior arrangements with me; if you have not, you will receive a zero. I will not accept assignments after two days pass their due date.

4. If you miss a test, you have two days from the date of the test to make it up. You must communicate with me and make arrangement to make up the test.

5. Please keep your cell phone on mute. If you forget to turn off your cell phone, please do not take the call during class; turn it off immediately. Cell phones in the classroom are disruptive to me as well as your classmates. Absolutely no texting during class!

6. Please respect me and your classmates by following these guidelines. If it becomes an issue, it will affect your participation grade.

Canvas Participation and Expectations

A list of your weekly assignments will be posted on Canvas. You are expected to log into Canvas every day after class to check and do your homework.

Homework assignments are due at the beginning of class on the assigned due date. If you do not understand your homework, talk to me before it is due so that you always come to class prepared.

Use Canvas email to communicate with me and your classmates. Check your Canvas email daily.

Instructor Response Time

Communicate with me about any problems related to the course and your ability to complete the assignments and understand the material. If a problem arises, please email or call me as soon as possible. Please use the CANVAS email to communicate with me. During the week I will respond to phone calls or e-mails within 24 hours. During weekends I will respond to phone calls or e-mails within 48 hours. I will post grades up to two days after you turn in an assignment during the week and three days during the weekend. All grades will be posted on Canvas. Keep in touch and ask for help.

2. **The Family Educational Rights and Privacy Act (FERPA)**

Your personal information and grade are confidential. Aside from routine reporting to the college required for this course, I will not share such information with anyone unless I have your permission.

3. **Academic Honesty Rules**

San Juan College expects all students to adhere to the [Academic Honesty Rules](#) as posted online. These are the official guidelines for all classes at San Juan College (July 2006).

4. **Student Conduct Statement**

College is preparation for professional opportunities, and professional conduct is expected in courses, including online classes, as well as any written communications, and interactions with members of the college community. As part of our learning community, students are expected to interact and communicate in a mature, respectful, thoughtful, and supportive manner. Students who demonstrate disrespectful, hostile, belittling, bullying or other disruptive behavior will be subject to potential consequences and possible dismissal from the college. The college will take appropriate action when students demonstrate threatening behavior (to others or self). Students should refer to the Code of Conduct in the Student Handbook for additional information.

5. **Student Safety**

Keeping students safe is a priority, and part of that is ensuring that we have the ability to communicate emergency messages – whether for school closures due to weather or for more or urgent situations. Rave is San Juan College’s emergency messaging system. Through your SJC student email, you will automatically receive email messages, however, it is also vital that you receive text messages. In order to receive the messages, you must register in a simple process with [Rave](#). When registering, please make sure that your mobile status is “confirmed.”

The Department of Public Safety is available 24 hours per day. In an emergency, they can be accessed by calling 215-3091 or 566-3333.

In the event of an emergency, a Rave message will be sent, and depending on the situation, you will be instructed to do one of the following:

- Evacuate the building
- Shelter in place (Campus doors are locked, and operations continue as normal. During this situation, no one other than law enforcement is allowed in or out of the campus.)
- Lockdown (Campus doors are locked. All operations cease, and you should take cover in your immediate area. No one other than law enforcement is allowed in or out of the campus.)

6. Non-Discrimination, Sexual Harassment, and Retaliation.

San Juan College does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, genetic, veteran’s status, or on the basis of any other category protected under federal, state and local laws. If you have experienced sexual harassment, sexual assault, or any other form of protected class discrimination, we encourage you to make a report. If you report to a faculty member, she/he/they are obligated by policy to share knowledge, notice, and/or reports of harassment, discrimination, and/or retaliation with the Title IX Coordinator. These disclosures include but are not limited to reports of sexual assault, dating/domestic violence, and stalking. You may also make a confidential report to a SJC Counselor. Please refer to San Juan College’s [Title IX](#) site for further details.

San Juan College's Title IX Coordinator is Stacey Allen, Assistant Director of Human Resources/Equity, Diversity, and Inclusion Officer. The office is located at the Educational Services Center Building, 2nd Floor, Human Resources, Room 4243 at (505) 566-3515 or allens@sanjuancollege.edu.

7. Drop for Non-Attendance and/or Non-Participation

Class Attendance and Participation Expectation:

Face-to-Face -- Students are expected to attend and participate in class regularly.

Any student missing more than 10% of consecutive class time, (For example, in a regular 15-week class that meets twice a week, this equates to the student missing 3 consecutive classes) without consultation with the instructor may be considered as having abandoned the course.

On-line -- Students are expected to participate regularly and submit all course assignments, based on the course guide definition. A student who does not submit any assignments during a consecutive 10% of the course (1.5 weeks of a 15-week semester) without consulting the instructor, may be considered as having abandoned the course. Logging in does not meet the attendance standard.

Competency-Based Education Classes -- Students are expected to have regular and substantive interactions with their instructor and to actively work on course content. A student who has not submitted coursework, nor had substantive interactions with the instructor over a consecutive 10% of the term, without the instructor's prior approval, will be considered to have abandoned the competency progression. Last date of attendance will be recorded as the last date that coursework was submitted or that the student met with the instructor. For on-line learners, logging in does not meet the attendance standard.

8. Failure to Meet Class Participation Expectation:

Students who fail to meet participation expectations will have their last date of attendance recorded. This date will be used to recalculate any financial aid received/veteran's benefits received, and the student may be required to repay the institution/government. If the student does not drop the course, an 'X' grade will be recorded. An 'X' grade impacts the grade point average the same as an 'F'.

9. Grading Policies

Incomplete: Incomplete Grade Assignment ([Incomplete Grades Information](#))

The grade of I (Incomplete) is given for passing work that could not be completed during the semester because of circumstances beyond the student's control. Ordinarily, the assignment of an I is given by the course instructor at the time final grades are due

In no case is an I grade to be used to avoid assignment of D or F grades for marginal or failing work or to require a student to enroll in the class the next semester because work was not completed on time. Circumstances warranting the issuance of an I grade must be beyond the student's control and must be

documented on the appropriate form prior to approval.

I grades can be removed only during the subsequent 16 weeks from the end of term, or within the time limit set by the instructor. Removal of an I is accomplished by completing the work in a manner acceptable to the instructor. Re-enrollment in the course under the repeat option does not remove the prior grade of I. Students should not re-enroll for the course. An I not made up within 16 weeks or within the time limit set by the instructor will change to an F grade thereafter and cannot be changed by work completion.

10. **Grade Appeals**

The policy for grade appeals is in the Academic Catalog. ([Grade Appeal Policy](#))

Student Handbook

The Student Handbook provides information on Student support, student organizations, and San Juan College policies.
