# Participation and Attendance Policy

1. During this course it is expected that the student prepares for class. This includes reading or viewing the information to be discussed in class. If the student has adequately prepared for the class there should be little trouble passing quizzes, exams or completing course assignments.
2. Students are expected to attend all regularly scheduled classes for which they are registered. Valid reasons for missing classes do not relieve the student from making up any missed work.

# Other Classroom Policies and Expectations

Quizzes and Examinations:

1. Quizzes and Exams are scheduled throughout the semester. These DO count toward your final grade. Please keep up with the class and the material presented. At instructor's discretion, there may also be a mid-term which is comprehensive from the beginning of the semester and a final which will cover the entire semester.
2. A student will not be allowed to make up quizzes (a zero will be given for each missed quiz). The lowest grade on the weekly quizzes will be dropped before figuring your average.

# Canvas Participation and Expectations

Students are expected to monitor their own progress in Canvas and participate in all online discussion boards.

## Instructor Response Time

Emails are responded to daily during the week, weekend emails may not be responded to until the next business day. Exams are usually graded and posted within the week. In some cases it may take up to two weeks.

## Course Time Commitment

This course will require 6-9 hours per week of reading and studying outside of class.

## Grading

Grading for this class will be determined pass/fail by the instructor. Criteria for passing will be based on attendance, participation in all classroom activities, and attainment of at least 75% on each quiz, exam, and assignment in preparation for the NBDHE.

Category	Weight
Mosby's Mock Board	33%
Quizzes	33%
Attendance & Participation	33%

Weighting as follows:

Grading Scale:

A= 90- 100%

B= 80- 89%

C= 75- 79%

D= 60- 74%\*\*

F= below 60%\*\*

\*\*A final grade below a “C” (75%) will interrupt a student’s progress through the Dental Hygiene Program and may result in dismissal from the Program. If you are having trouble with this course, it is your responsibility to contact the instructor and arrange for tutoring or other assistance.

The college will take appropriate action when students demonstrate threatening behavior (to others or self). Students should refer to the Code of Conduct in the Student Handbook for additional information.

#### **5. Student Safety**

Keeping students safe is a priority, and part of that is ensuring that we have the ability to communicate emergency messages – whether for school closures due to weather or for more or urgent situations. Rave is San Juan College’s emergency messaging system. Through your SJC student email, you will automatically receive email messages, however, it is also vital that you receive text messages. In order to receive the messages, you must register in a simple process with [Rave](#). When registering, please make sure that your mobile status is “confirmed.”

The Department of Public Safety is available 24 hours per day. In an emergency, they can be accessed by calling 215-3091 or 566-3333.

In the event of an emergency, a Rave message will be sent, and depending on the situation, you will be instructed to do one of the following:

- Evacuate the building
- Shelter in place (Campus doors are locked, and operations continue as normal. During this situation, no one other than law enforcement is allowed in or out of the campus.)

## **7. Drop for Non-Attendance and/or Non-Participation**

### **Class Attendance and Participation Expectation:**

Face-to-Face -- Students are expected to attend and participate in class regularly. Any student missing more than 10% of consecutive class time, (For example, in a regular 15-week class that meets twice a week, this equates to the student missing 3 consecutive classes) without consultation with the instructor may be considered as having abandoned the course.

On-line -- Students are expected to participate regularly and submit all course assignments, based on the course guide definition. A student who does not submit any assignments during a consecutive 10% of the course (1.5 weeks of a 15-week semester) without consulting the instructor, may be considered as having abandoned the course. Logging in does not meet the attendance standard.

Competency-Based Education Classes -- Students are expected to have regular and substantive interactions with their instructor and to actively work on course content. A student who has not submitted coursework, nor had substantive interactions with the instructor over a consecutive 10% of the term, without the instructor's prior approval, will be considered to have abandoned the competency progression. Last date of attendance will be recorded as the last date that coursework was submitted or that the student met with the instructor. For on-line learners, logging in does not meet the attendance standard.

## **8. Failure to Meet Class Participation Expectation:**

Students who fail to meet participation expectations will have their last date of attendance recorded. This date will be used to recalculate any financial aid received/veteran's benefits received, and the student may be required to repay the institution/government. If the student does not drop the course, an 'X' grade

will be recorded. An 'X' grade impacts the grade point average the same as an 'F'.

## 9. Grading Policies

### **Incomplete: Incomplete Grade Assignment** ([Incomplete Grades Information](#))

The grade of I (Incomplete) is given for passing work that could not be completed during the semester because of circumstances beyond the student's control. Ordinarily, the assignment of an I is given by the course instructor at the time final grades are due

In no case is an I grade to be used to avoid assignment of D or F grades for marginal or failing work or to require a student to enroll in the class the next semester because work was not completed on time. Circumstances warranting the issuance of an I grade must be beyond the student's control and must be documented on the appropriate form prior to approval.

I grades can be removed only during the subsequent 16 weeks from the end of term, or within the time limit set by the instructor. Removal of an I is accomplished by completing the work in a manner acceptable to the instructor. Re-enrollment in the course under the repeat option does not remove the prior grade of I. Students should not re-enroll for the course. An I not made up within 16 weeks or within the time limit set by the instructor will change to an F grade thereafter and cannot be changed by work completion.

## 10. Grade Appeals

The policy for grade appeals is in the Academic Catalog. ([Grade Appeal Policy](#))
