## Participation and Attendance Policy

### ATTENDANCE POLICY

This PTA Program Attendance Policy supplements the college’s attendance policies found in the SJC Academic Catalog and SJC Student Handbook. Unless otherwise outlined in the course syllabus, this Attendance Policy applies to all classroom, lab, and

clinical experiences. Since absenteeism negatively impacts a student's ability to learn, students are expected to attend the entire duration of all scheduled activities. Students may need to arrive early to be sufficiently prepared for the learning experience, especially during clinical rotations. Tardiness is considered an absence. An absence is defined as failing to attend part or all of a scheduled activity (e.g., arriving late to class, returning late after a break, taking an unscheduled break, leaving early, failing to show up). Unexcused absences may result in a grade penalty and/or dismissal from the PTA Program as outlined in the General Attendance Guidelines.

#### General Attendance Guidelines

1. For planned situations, the student is expected to discuss the reason for the requested absence with the instructor as soon as possible, but not later than 48 hours prior to the start of the time of the requested absence.
2. For unplanned situations, the student is expected to notify the instructor as soon as possible. Having a classmate inform the instructor in lieu of notifying the instructor directly is unacceptable.
3. The instructor of record retains the right to determine if any absence (planned or unplanned) is excused or unexcused. Failure to adhere to the Attendance Policy, failure to provide timely notification, and a pattern of absences may result in absences being counted as unexcused and/or the behavior being addressed with a Professional Development Plan.
4. For online or online hybrid classes, attendance is defined as logging into the course in Canvas and completing the required activities according to the outlined schedule.
5. Three (3) unexcused absences in a course will result in the student being dismissed from the course at the discretion of the PTA Program Director. For every unexcused absence, the instructor will attempt to contact the student with a verbal warning and will follow-up with a written warning.
6. For online or online hybrid classes, attendance is defined as logging into the course in Canvas and completing the required activities according to the outlined schedule.

## Other Classroom Policies and Expectations

### **LATE WORK**

Due dates for every assignment are provided on the course syllabus and course schedule (posted in Canvas). Unless otherwise stated, assignments are due according to the course schedule.

The PTA faculty recognize that sometimes "life happens." In these instances, you may use your allotted 2 "flex." These days allow you to submit an assignment(s) up to two days late without penalty. For example, you can use 2 flex days on one assignment that is two days late. Alternatively, you can use 1 flex day on one assignment that is one day

late, and then 1 flex day towards another assignment. You do not need to provide the instructor with the reason: simply email the instructor how many of your flex days you would like to use. Flex days cannot be used for group assignments or assignments with a partner as it would impact the grade of another student. These "flex days" do not apply to exams or the peer-assessed portion of a virtual lab skill.

Once you have exhausted your 2 flex days, then late point deductions will occur for any assignment submitted after the deadline. A 10 point deduction will occur each day that passes beyond the due date and up to 72 hours (e.g. an 84 would be a 74 on day 1, a 64 on day 2, etc.). Assignments submitted more than 72 hours after the due date will not be accepted and you will receive a 0.

If you experience extenuating circumstances (e.g., you are hospitalized) that prohibit you from submitting your assignments on time, please let the instructor know. The instructor will evaluate these instances on a case-by-case basis.

## Canvas Participation and Expectations

In order to be successful in this course, you are required to check in on a weekly basis. It is recommended to check in regularly throughout the week to keep up with continuous communication and provide input in the general discussion board. There will be weekly announcements posted to the course. Read the announcements for specific requirements and additional information as it pertains to the modules that are covered for the week.

- Online communication expectations ("Netiquette"): (Please refer to SJC online services for further information)

## Instructor Response Time

Please feel free to contact me through Canvas email, phone, or visit me on-campus. I will make every effort to get back to you within 48 hours except weekends and holidays. Grades will be released to students upon successful completion and grading of all exams.

## Course Time Commitment

In order to be successful in this course, you will need to set aside a minimum of 8 hours per week.

### 1. **Academic Accommodations - American with Disabilities Act (ADA)**

If you believe you need academic accommodations due to physical or learning disabilities, you are encouraged to inform them as soon as possible. The coordinator can work with you in verifying your disabilities and developing accommodation strategies. Please go to [Disability Services Office](#), click the button for “Request for Services” and complete all the steps.

You can also contact the college’s disability coordinator in the Advising/Counseling Center at 566-3271 or [disabilityservices@sanjuancollege.edu](mailto:disabilityservices@sanjuancollege.edu). More information is available on the website listed above.

### 2. **The Family Educational Rights and Privacy Act (FERPA)**

Your personal information and grade are confidential. Aside from routine reporting to the college required for this course, I will not share such information with anyone unless I have your permission.

### 3. **Academic Honesty Rules**

San Juan College expects all students to adhere to the [Academic Honesty Rules](#) as posted online. These are the official guidelines for all classes at San Juan College

(July 2006).

#### **4. Student Conduct Statement**

College is preparation for professional opportunities, and professional conduct is expected in courses, including online classes, as well as any written communications, and interactions with members of the college community. As part of our learning community, students are expected to interact and communicate in a mature, respectful, thoughtful, and supportive manner. Students who demonstrate disrespectful, hostile, belittling, bullying or other disruptive behavior will be subject to potential consequences and possible dismissal from the college. The college will take appropriate action when students demonstrate threatening behavior (to others or self). Students should refer to the Code of Conduct in the Student Handbook for additional information.

#### **5. Student Safety**

Keeping students safe is a priority, and part of that is ensuring that we have the ability to communicate emergency messages – whether for school closures due to weather or for more or urgent situations. Rave is San Juan College’s emergency messaging system. Through your SJC student email, you will automatically receive email messages, however, it is also vital that you receive text messages. In order to receive the messages, you must register in a simple process with [Rave](#). When registering, please make sure that your mobile status is “confirmed.”

The Department of Public Safety is available 24 hours per day. In an emergency, they can be accessed by calling 215-3091 or 566-3333.

In the event of an emergency, a Rave message will be sent, and depending on the situation, you will be instructed to do one of the following:

- Evacuate the building
- Shelter in place (Campus doors are locked, and operations continue as normal. During this situation, no one other than law enforcement is allowed in or out of the campus.)
- Lockdown (Campus doors are locked. All operations cease, and you should take cover in your immediate area. No one other than law enforcement is allowed in or out of the campus.

#### **6. Non-Discrimination, Sexual Harassment, and Retaliation.**

San Juan College does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, genetic, veteran’s status, or on the basis of any other category protected under federal, state and local laws. If you have experienced sexual harassment, sexual assault, or any other form of protected class discrimination, we encourage you to make a report. If you report to a faculty member, she/he/they are obligated by policy to share knowledge, notice, and/or reports of harassment, discrimination, and/or retaliation with the Title IX Coordinator. These disclosures include but are not

limited to reports of sexual assault, dating/domestic violence, and stalking. You may also make a confidential report to a SJC Counselor. Please refer to San Juan College's [Title IX](#) site for further details.

San Juan College's Title IX Coordinator is Stacey Allen, Assistant Director of Human Resources/Equity, Diversity, and Inclusion Officer. The office is located at the Educational Services Center Building, 2nd Floor, Human Resources, Room 4243 at (505) 566-3515 or [allens@sanjuancollege.edu](mailto:allens@sanjuancollege.edu).

## **7. Drop for Non-Attendance and/or Non-Participation**

### **Class Attendance and Participation Expectation:**

Face-to-Face -- Students are expected to attend and participate in class regularly. Any student missing more than 10% of consecutive class time, (For example, in a regular 15-week class that meets twice a week, this equates to the student missing 3 consecutive classes) without consultation with the instructor may be considered as having abandoned the course.

On-line -- Students are expected to participate regularly and submit all course assignments, based on the course guide definition. A student who does not submit any assignments during a consecutive 10% of the course (1.5 weeks of a 15-week semester) without consulting the instructor, may be considered as having abandoned the course. Logging in does not meet the attendance standard.

Competency-Based Education Classes -- Students are expected to have regular and substantive interactions with their instructor and to actively work on course content. A student who has not submitted coursework, nor had substantive interactions with the instructor over a consecutive 10% of the term, without the instructor's prior approval, will be considered to have abandoned the competency progression. Last date of attendance will be recorded as the last date that coursework was submitted or that the student met with the instructor. For on-line learners, logging in does not meet the attendance standard.

## **8. Failure to Meet Class Participation Expectation:**

Students who fail to meet participation expectations will have their last date of attendance recorded. This date will be used to recalculate any financial aid received/veteran's benefits received, and the student may be required to repay the institution/government. If the student does not drop the course, an 'X' grade

will be recorded. An 'X' grade impacts the grade point average the same as an 'F'.

## 9. Grading Policies

### **Incomplete: Incomplete Grade Assignment** ([Incomplete Grades Information](#))

The grade of I (Incomplete) is given for passing work that could not be completed during the semester because of circumstances beyond the student's control. Ordinarily, the assignment of an I is given by the course instructor at the time final grades are due

In no case is an I grade to be used to avoid assignment of D or F grades for marginal or failing work or to require a student to enroll in the class the next semester because work was not completed on time. Circumstances warranting the issuance of an I grade must be beyond the student's control and must be documented on the appropriate form prior to approval.

I grades can be removed only during the subsequent 16 weeks from the end of term, or within the time limit set by the instructor. Removal of an I is accomplished by completing the work in a manner acceptable to the instructor. Re-enrollment in the course under the repeat option does not remove the prior grade of I. Students should not re-enroll for the course. An I not made up within 16 weeks or within the time limit set by the instructor will change to an F grade thereafter and cannot be changed by work completion.

The policy for grade appeals is in the Academic Catalog. ([Grade Appeal Policy](#))
