Participation and Attendance Policy

The Cosmetology faculty believes that the habits and work pattern established while an individual is a student will be reflected in the work setting when the transition is made to cosmetology practitioner. Therefore, every effort should be exerted to establish good work ethics, or patterns of good attendance, promptness and responsibility. This applies to all didactic and laboratory courses and clinical rotations.

- Turning in assignments late or responding to peers' post after the set deadline reflects irresponsible behavior, lack of respect for faculty and other students, and serves as a distraction to others. Students are expected to turn in assignments at the designated time.
- The cosmetology program will not excuse students from assignments due to employment schedules. Students are expected to meet their obligations to the course of study.

Canvas Participation and Expectations

Announcements will be posted in Canvas on a regular basis. Students will be expected to log into the Canvas at least three times per week to be aware of possible announcements/reminders to pace their progress in the course.

Instructor Response Time

In regards to assignment feedback, the instructor's goal is to provide timely feedback (comments, rubric evaluation, and grades) in an efficient manner that provides specific guidance

for improving future assignments. In order to be helpful, it is necessary to devote a certain amount of time to the development of quality comments that truly assist the student. This time frame, of course, varies due to class size, and the nature and complexity of the assignment. As such, the instructor will make every effort to provide prompt feedback that can be applied to future assignments. In most instances, this will be within one week after the submission due date.

Course Time Commitment

Students should expect to spend about an average of 10 hours each week on assignments for this course.

Grading

Final grades are calculated based on the following:

A 100-90%

B 89-80%

The coordinator can work with you in verifying your disabilities and developing accommodation strategies. Please go to Disability Services Office, click the button for “Request for Services” and complete all the steps. You can also contact the college’s disability coordinator in the Advising/Counseling Center at 566-3271 or disabilityservices@sanjuancollege.edu. More information is available on the website listed above.

2. The Family Educational Rights and Privacy Act (FERPA)

3. Academic Honesty Rules

San Juan College expects all students to adhere to the Academic Honesty Rules as posted online. These are the official guidelines for all classes at San Juan College (July 2006).

4. Student Conduct Statement College is preparation for professional opportunities, and professional conduct is expected in courses, including online classes, as well as any written communications, and interactions with members of the college community. As part of our learning community, students are expected to interact and communicate in a mature, respectful, thoughtful, and supportive manner. Students who demonstrate disrespectful, hostile, belittling, bullying or other disruptive behavior will be subject to potential consequences and possible dismissal from the college. The college will take appropriate action when students demonstrate threatening behavior (to others or self). Students should refer to the Code of Conduct in the Student Handbook for additional information.

5. Student Safety

Keeping students safe is a priority, and part of that is ensuring that we have the ability to communicate emergency messages – whether for school closures due to weather or for more or urgent situations. Rave is San Juan College’s emergency messaging system. Through your SJC student email, you will automatically receive email messages, however, it is also vital that you receive text messages. In order to receive the messages, you must register in a simple process with Rave. When registering, please make sure that your mobile status is “confirmed.” The Department of Public Safety is available 24 hours per day. In an emergency, they can be accessed by calling 215-3091 or 566-3333. In the event of an emergency, a Rave message will be sent, and depending on the situation, you will be instructed to do one of the following: Evacuate the building Shelter in place (Campus doors are locked, and operations continue as normal. During this situation, no one other than law enforcement is allowed in or out of the campus.) Lockdown (Campus doors are locked. All operations cease, and you should take cover in your immediate area. No one other than law enforcement is allowed in or out of the campus.

Non-Discrimination, Sexual Harassment, and Retaliation

San Juan College does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, genetic, veteran's status, or on the basis of any other category protected under federal, state and local laws. If you have experienced sexual harassment, sexual assault, or any other form of protected class discrimination, we encourage you to make a report. If you report to a faculty member, she/he/they are obligated by policy to share knowledge, notice, and/or reports of harassment, discrimination, and/or retaliation with the Title IX Coordinator. These disclosures include but are not limited to reports of sexual assault, dating/domestic violence, and stalking. You may also make a confidential report to an SJC Counselor. Please refer to San Juan College's Title IX site for further details.

San Juan College's Title IX Coordinator is Stacey Allen, Assistant Director of Human Resources/Equity, Diversity, and Inclusion Officer. The office is located at the Educational Services Center Building, 2nd Floor, Human Resources, Room 4243 at (505) 566-3515 or allens@sanjuancollege.edu.

7. Drop for Non-Attendance and/or Non-Participation

Class Attendance and Participation Expectation:

Face-to-Face --Students are expected to attend and participate in class regularly. Any student missing more than 10% of consecutive class time, (For example, in a regular 15-week class that meets twice a week, this equates to the student missing 3 consecutive classes) without consultation with the instructor may be considered as having abandoned the course.

On-line -- Students are expected to participate regularly and submit all course assignments, based on the course guide definition. A student who does not submit any assignments during a consecutive 10% of the course (1.5 weeks of a 15-week semester) without consulting the instructor, may be considered as having abandoned the course. Logging in does not meet the attendance standard.

Competency-Based Education Classes -- Students are expected to have regular and substantive interactions with their instructor and to actively work on course content. A student who has not submitted coursework, nor had substantive interactions with the instructor over a consecutive 10% of the term, without the instructor's prior approval, will be considered to have abandoned the competency progression. Last date of attendance will be recorded as the last date that coursework was submitted or that the student met with the instructor. For on-line learners, logging in does not meet the attendance standard.

8. Failure to Meet Class Participation Expectation:

Students who fail to meet participation expectations will have their last date of attendance recorded. This date will be used to recalculate any financial aid received/veteran's benefits received, and the student may be required to repay the institution/government. If the student does not drop the course, an 'X' grade will be recorded. An 'X' grade impacts the grade point average the same as an 'F'.

9. Grading Policies

Incomplete: Incomplete Grade Assignment (Incomplete Grades Information) The grade of I (Incomplete) is given for passing work that could not be completed during the semester because of circumstances beyond the student's control. Ordinarily, the assignment of an I is given by the course instructor at the time final grades are due. In no case is an I grade to be used to avoid assignment of D or F grades for marginal or failing work or to require a student to enroll in the class the next semester because work was not completed on time. Circumstances warranting the issuance of an I grade must be beyond the student's control and must be documented on the appropriate form prior to approval. I grades can be removed only during the subsequent 16 weeks from the end of term, or within the time limit set by the instructor. Removal of an I is accomplished by completing the work in a manner acceptable to the instructor. Re-enrollment in the course under the repeat option does not remove the prior grade of I. Students should not re-enroll for the course. An I not made up within 16 weeks or within the time limit set by the instructor will change to an F grade thereafter and cannot be changed by work completion.

10. Grade Appeals

The policy for grade appeals is in the Academic Catalog. (Grade Appeal Policy)
