

FIRE 141 Hazardous Materials Awareness/Operations Section Name Section Credit Hours Credits **Syllabus**

Course Information

Meeting times and location: section meeting_times section location

Catalog description: Designed to give the entry level firefighter the knowledge and competence to operate on a hazardous materials incident. Covers the identification and recognition of hazardous materials, techniques, for isolating the scene and denying entry into the area, and basic support techniques utilized by firefighters to assist a technical hazardous material entry team. The 40-hour course covers the organizational structure and necessary elements of incident command of a hazardous materials incident.

Terms offered: Fall and Spring

Section-specific Course Description:

Course Level Objectives

1. Discuss the methods used for isolating the scene and denying entry of unauthorized personnel.
2. Explain in support techniques that operations level firefighters may employ to assist a technical hazmat entry team.
3. Discuss the probable needs for successful mitigation of a hazmat incident.

Required Texts and/or Materials

**Fundamentals of Fire Fighter Skills and Hazardous Materials Response
Student Workbook**
9781284151411

Jones & Bartlett Publishers
2018-12-03

Required Technology and Software

- Canvas
- Chrome, Safari, or Firefox

Course Requirements

Students will do the following activities:

1. Demonstrate the ability to identify the presence of hazardous materials by placard, label, container shape, and occupancy.
2. Demonstrate the ability to effectively isolate an incident area and deny entry to non-essential personnel.
3. Demonstrate the ability to assist a technical hazmat entry team with required functions such as dress out, decon, and other functions.
4. Demonstrate an understanding of an appropriate incident command system for hazmat incidents.
5. Meet the requirements of NFPA 472- Qualifications for Hazardous Materials Responders – Operations Level.

Other Classroom Policies and Expectations

TERMINATION POLICY

Any student who refuses to follow reasonable directions given by an instructor or acts in an unsafe manner will be asked to leave class and may be terminated. Any student may also be terminated from any Fire Science course if at any time they are performing to a level that presents a risk to themselves and/or others while in class.

Grading

Final grades are calculated based on the following...

The student must succeed in obtaining a 70% or better average in order to pass this class.

Attendance = 25%

Final Exam = 25%

JPR = 50%

A 70% or better is required in each of the categories listed above in order to pass.

The following grading scale will be used for the calculation of grades:

A = 90 to 100%

C = 70 to 79%

F = 59% or less

B = 80 to 89%

D = 60 to 69%

Course Time Commitment

Student should expect to spend at least 6 hours of time outside the classroom

Canvas Participation and Expectations

Students will be required to log in to Canvas to complete assignments, quizzes or tests as assigned

Participation and Attendance Policy

1. Students are expected to attend all class sessions. Instructors will take attendance.
2. Absences do not relieve students of the responsibility for missed assignments.

3. Students must take the initiative in arranging with their instructors to make up missed work if applicable.
4. Absences are graded as follows:
 - a. 0 = 100%
 - b. 1 = 70%
 - c. 2 = 0

Instructor Response Times & Regular Interaction Expectations

Instructor will respond to phone calls, emails or text within 24 hours.

Student Support

At San Juan College, we are committed to supporting your academic success and overall well-being. We recognize that college life can be challenging and stressful, impacting both learning and personal health. We are here to help you succeed.

Academic Support and Resources

We provide a range of academic support services to help you stay on track on your educational journey. Free resources include tutoring, computer loans, life skills workshops, and so much more. Visit the [Academic Support and Resources](#) webpage to learn more about support and resources available through Academic Advising, the Tutoring Center, the Student Resource Center (formerly Student Achievement Center) and the Testing Center.

Student Support and Resources

If you or someone you know could benefit from counseling, accessibility services, career exploration, veteran transitional assistance, or any of our other support services, visit the [Student Support and Resources](#) webpage where you'll find detailed information about various resources available to you as an SJC student.

We encourage you to take advantage of these free resources to enhance your college experience and ensure your success.

College Policies and Resources for Current Students

The [Student Handbook](#) provides information on student support, student organizations, and student conduct policies at San Juan College.

The San Juan College catalog outlines the [Academic Policies](#) students need to know.

Healthy and Safe Practices for Being on Campus

We want a healthy and safe campus for students, faculty, staff, and guests.

Contagious diseases and your responsibility:

If you have COVID-19 symptoms, fever, flu or even the common cold, you should stay home. Do not come to campus if you are feeling sick. Contact your instructor about missing class (and review your instructor's policies on missed or late work). Being sick does not necessarily excuse you from completing your work on time.

Safety on campus and your responsibility:

If you are on campus and experience or witness an emergency, call 9-1-1 first and then the Department of Public Safety at 505-566-3333 (or just 3333 if calling from a campus phone).

When you are on campus, be aware of your surroundings. If you need an escort to your vehicle, call 505-566-4444 (DPS non-emergency line) or 505-215-3091 (officer on duty line).

The College will send information for campus emergencies through SJC AlertAware, email and the webpage. Stay informed and stay safe.

Inclement Weather Information

Students will receive notification of class delays and cancellations due to inclement weather via the SJC AlertAware and SJC student email. Face-to-face classes will not meet in person; however, students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. Hybrid classes will meet as scheduled via zoom. For questions regarding your class delay or cancelation, please contact your instructor.

Online Course Fee

Online Courses - San Juan College requires all online courses to include some form of assessment to demonstrate the mastery of course objectives. This could include exams, capstone projects, e-portfolios, presentations, final papers or other appropriate assessments. The use of a proctoring platform, plagiarism detection software or other method to ensure that assessments are completed by the enrolled student is required.

A course fee of \$5.00 is assessed for all online courses at San Juan College to cover the cost of the above services. Students who are required to take a proctored exam and choose to use a physical testing center outside the SJC Testing Center or SJC Disability Services will be responsible for the cost of using that center.
