| | |
|-----------|----|
| Roll Call | 15 |
|-----------|----|

Course Time Commitment

Students should expect to spend about an average of 10 hours each week on assignments for this course.

Canvas Participation and Expectations

Attendance holds 15% of their grade, any missed class have to be made up in that semester if they plan on graduating on time. The program has a set number of hours per State of New Mexico, with that said if you miss class, you miss important information and at times that can not be made up. Student can be excused with the proper documentation. However, if the student misses more than three days they will be written up and that can lead to dismissal of the program

Participation and Attendance Policy

Each student is expected to participate 100% in the classroom as well as when they are on the floor and Participation hold 10% of their grade.

Attendance holds 15% of their grade, any missed class have to be made up in that semester if they plan on graduating on time. The program has a set number of hours per State of New Mexico, with that said if you miss class, you miss important information and at times that can not be made up. Student can be excused with the proper documentation. However, if the student misses more than three days they will be written up and that can lead to dismissal of the program

Instructor Response Times & Regular Interaction Expectations

In regards to assignment feedback, the instructor's goal is to provide timely feedback (comments, rubric evaluation, and grades) in an efficient manner that provides specific guidance for improving future assignments. In order to be helpful, it is necessary to devote a certain amount of time to the development of quality comments that truly assist the student. This time frame, of course, varies due to class size, and the nature and complexity of the assignment. As such, the instructor will make every effort to provide prompt feedback that can be applied to future assignments. In most instances, this will be within one week after the submission due date.

Student Support

At San Juan College, we are committed to supporting your academic success and overall well-being. We recognize that college life can be challenging and stressful, impacting both learning and personal health. We are here to help you succeed.

Academic Support and Resources

We provide a range of academic support services to help you stay on track on your educational journey. Free resources include tutoring, computer loans, life skills workshops, and so much more. Visit the [Academic Support and Resources](#) webpage to learn more about support and resources available through Academic Advising, the Tutoring Center, the Student Resource Center (formerly Student Achievement Center) and the Testing Center.

Student Support and Resources

If you or someone you know could benefit from counseling, accessibility services, career exploration, veteran transitional assistance, or any of our other support services, visit the [Student Support and Resources](#) webpage where you'll find detailed information about various resources available to you as an SJC student.

We encourage you to take advantage of these free resources to enhance your college experience and ensure your success.

College Policies and Resources for Current Students

The [Student Handbook](#) provides information on student support, student organizations, and student conduct policies at San Juan College.

The San Juan College catalog outlines the [Academic Policies](#) students need to know.

Healthy and Safe Practices for Being on Campus

We want a healthy and safe campus for students, faculty, staff, and guests.

Contagious diseases and your responsibility:

If you have COVID-19 symptoms, fever, flu or even the common cold, you should stay home. Do not come to campus if you are feeling sick. Contact your instructor about missing class (and review your instructor's policies on missed or late work). Being sick does not necessarily excuse you from completing your work on time.

Safety on campus and your responsibility:

If you are on campus and experience or witness an emergency, call 9-1-1 first and then the Department of Public Safety at 505-566-3333 (or just 3333 if calling from a campus phone).

When you are on campus, be aware of your surroundings. If you need an escort to your vehicle, call 505-566-4444 (DPS non-emergency line) or 505-215-3091 (officer on duty line).

The College will send information for campus emergencies through SJC AlertAware, email and the webpage. Stay informed and stay safe.

Inclement Weather Information

Students will receive notification of class delays and cancellations due to inclement weather via the SJC AlertAware and SJC student email. Face-to-face classes will not meet in person; however, students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. Hybrid classes will meet as scheduled via zoom. For questions regarding your class delay or cancelation, please contact your instructor.

Online Course Fee

Online Courses - San Juan College requires all online courses to include some form of assessment to demonstrate the mastery of course objectives. This could include exams, capstone projects, e-portfolios, presentations, final papers or other appropriate assessments. The use of a proctoring platform, plagiarism detection software or other method to ensure that assessments are completed by the enrolled student is required.

A course fee of \$5.00 is assessed for all online courses at San Juan College to cover the cost of the above services. Students who are required to take a proctored exam and choose to use a physical testing center outside the SJC Testing Center or SJC Disability Services will be responsible for the cost of using that center.
