

AUTE 110 Introduction to Automotive Section Name Section Credit Hours Credits **Syllabus**

Course Information

Meeting times and location: section meeting_times section location

Catalog description: This course will orient the student to automotive shop operations, use of service manuals, pay structures, tools, warranties, and customer relations. Specifically designed to provide the student the necessary skill and knowledge to function effectively in a modern automotive service department performing maintenance and light repair tasks. Shop safety will be strongly emphasized as well as employee/employer relations.

Prerequisites: AUTE-113

Terms offered: Fall and Spring

Section-specific Course Description:

Course Level Objectives

Students will do the following activities:

- Work safely around the automobile and the shop environment
- Learn the names, proper use, maintenance and selection of tools used in the automotive industry
- Complete S/PS Safety Training
- Learn the history of the automobile and how they work
- Create an ASE account and explore the use of the ASE Study Guide
- Learn the process of buying an automobile and the expense of owning one
- Learn the various repair facilities that service the automobile
- Navigate in ALLDATA

- Learn the care and maintenance of the automobile
- Perform tire service
- Put together a Portfolio
- Learn to measure in standard and metric using precision measuring tools
- Learn about the various subsystems in the automobile
- Identify Fasteners and Perform Drill and Tap Functions

Required Texts and/or Materials

No textbook is required for this course

Required Technology and Software

- Canvas
- Chrome, Safari, or Firefox

Course Requirements

Students are required to bring their own hand tools and safety equipment to the lab. A list of suggested hand tools can be provided by the instructor.

Grading

Final grades are calculated based on the following...

40% Quizzes, labs, and chapter questions

30% Shop/classroom participation grade (includes attendance grade)

30% Final exam-written and hands-on(if applicable)

Course Time Commitment

Time will be required outside of class to complete online safety training and other class related research.

Canvas Participation and Expectations

Grades will be entered on Canvas. Please notify the instructor promptly if there are any issues.

Participation and Attendance Policy

Students are expected to attend and participate in class regularly. Any student missing more than 10% of consecutive class time, (For example, in a regular 15-week class that meets twice a week, this equates to the student missing 3 consecutive classes) without consultation with the instructor may be considered as having abandoned the course.

Students are expected to have regular and substantive interactions with their instructor and to actively work on course content. A student who has not submitted coursework, nor had substantive interactions with the instructor over a consecutive 10% of the term, without the instructor's prior approval, will be considered to have abandoned the competency progression.

Instructor Response Times & Regular Interaction Expectations

Instructors will normally respond to phone calls/texts the same day. Please allow two business days to respond to emails.

Key Dates to Remember

Student Support

At San Juan College, we are committed to supporting your academic success and overall well-being. We recognize that college life can be challenging and stressful, impacting both learning and personal health. We are here to help you succeed.

Academic Support and Resources

We provide a range of academic support services to help you stay on track on your educational journey. Free resources include tutoring, computer loans, life skills workshops, and so much more. Visit the [Academic Support and Resources](#) webpage to learn more about support and resources available through Academic Advising, the Tutoring Center, the Student Resource Center (formerly Student Achievement Center) and the Testing Center.

Student Support and Resources

If you or someone you know could benefit from counseling, accessibility services, career exploration, veteran transitional assistance, or any of our other support services, visit the [Student Support and Resources](#) webpage where you'll find detailed information about various resources available to you as an SJC student.

We encourage you to take advantage of these free resources to enhance your college experience and ensure your success.

College Policies and Resources for Current Students

The [Student Handbook](#) provides information on student support, student organizations, and student conduct policies at San Juan College.

The San Juan College catalog outlines the [Academic Policies](#) students need to know.

Healthy and Safe Practices for Being on Campus

We want a healthy and safe campus for students, faculty, staff, and guests.

Contagious diseases and your responsibility:

If you have COVID-19 symptoms, fever, flu or even the common cold, you should stay home. Do not come to campus if you are feeling sick. Contact your instructor about missing class (and review your instructor's policies on missed or late work). Being sick does not necessarily excuse you from completing your work on time.

Safety on campus and your responsibility:

If you are on campus and experience or witness an emergency, call 9-1-1 first and then the Department of Public Safety at 505-566-3333 (or just 3333 if calling from a campus phone).

When you are on campus, be aware of your surroundings. If you need an escort to your vehicle, call 505-566-4444 (DPS non-emergency line) or 505-215-3091 (officer on duty line).

The College will send information for campus emergencies through SJC AlertAware, email and the webpage. Stay informed and stay safe.

Inclement Weather Information

Students will receive notification of class delays and cancellations due to inclement weather via the SJC AlertAware and SJC student email. Face-to-face classes will not meet in person; however, students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. Hybrid classes will meet as scheduled via zoom. For questions regarding your class delay or cancelation, please contact your instructor.

Online Course Fee

Online Courses - San Juan College requires all online courses to include some form of assessment to demonstrate the mastery of course objectives. This could include exams, capstone projects, e-portfolios, presentations, final papers or other appropriate assessments. The use of a proctoring platform, plagiarism detection software or other method to ensure that assessments are completed by the enrolled student is required.

A course fee of \$5.00 is assessed for all online courses at San Juan College to cover the cost of the above services. Students who are required to take a proctored exam and choose to use a physical

testing center outside the SJC Testing Center or SJC Disability Services will be responsible for the cost of using that center.
