Course Level Objectives

Student Learning Outcomes:

The student learning outcomes for this course (from the NM Higher Education Department) are:

identify multiple learning styles and apply a variety of multi-modal and differentiation strategies at the secondary level.

1. Identify multiple learning styles and apply a variety of multi-modal and differentiation strategies at the secondary level.
2. Analyze how technology influences curricula, instructional design, assessment, and educational standards at the secondary level.
3. Use a variety of media and technologies to prepare secondary teaching materials and to deliver instruction.

4. Construct lesson plans for secondary content that address different learning styles and align to pacing guides/curricula/ standards, etc.
5. Analyze issues at the secondary level, including classroom management and strategies for addressing at-risk behaviors and school safety issues.
6. Demonstrate successful strategies for teaching secondary content, having conducted observations of effective teachers at local sites and reflected upon the effectiveness of various practices.

Alignment of Student Learning Outcomes with Professional Standards

To ensure that our program meets accreditation guidelines and to demonstrate the alignment of our student learning outcomes with recognized professional standards, we have mapped each outcome to relevant standards set by the New Mexico Public Education Department (NM-PED), the Interstate Teacher Assessment and Support Consortium (InTASC), the Council for the Accreditation of Educator Preparation (CAEP), and the Association for Advancing Quality in Educator Preparation (AAQEP). This alignment ensures that our coursework prepares students for professional excellence and meets the rigorous expectations of the teaching profession.

The student learning outcomes for this course align with these standards:

Course Requirements

Please note: Specific learning activities and expectations vary by instructor and course format. Please consult with your instructor for further details.

In this class, you will participate in a variety of activities such as:

1. Engage with course material through regular reading, writing, and activities such as demonstrations
2. Participate in peer-to-peer interactions (e.g., discussions), allowing you to exercise critical reasoning, reflection, and communication skills while engaging with multiple perspectives.
3. Check understanding through formal assessments (assignments, discussions, group work, portfolios, etc.);
4. Apply course concepts to "real world" contexts through various "Application Assignments."

Unless otherwise noted, any electronic documents submitted must be compatible with PC operating systems (e.g., .doc, .docx, .pdf, etc.). Please do NOT submit .pages or .key files. Check with your instructor regarding Google Drive files (e.g., Google Sheets, Docs, or Slides).

Please refer to the "COURSE OVERVIEW START HERE" module for further details regarding course activities, requirements, and expectations.

Other Classroom Policies and Expectations

ALP students must pass this course with at least a C or 70%.

Grading

All of your course requirements are graded using points. At the end of the course, the points are converted to a letter grade using the scale below.

A = 90% - 100%; B = 80% to 89; C = 70% to 79%; D = 60% to 69%; F = below 50%

Students (Teacher Candidates) participating in the Alternative Licensure Program must receive a grade of a C or higher in this course.

Final grades are based on the points earned throughout the course and are not rounded to the next higher letter grade.

Assignments will be uploaded to Canvas for grading. Assignments will be submitted to CANVAS by 11:59 pm on the due date unless otherwise noted in the syllabus and "COURSE OVERVIEW START HERE" module.

Specific guidelines and the point scale for each assignment are available on Canvas.

Course Time Commitment

Specific weekly course time commitments vary by course duration (e.g., a 6-week, 8-week, or 16-week format). **Please refer to your Canvas course's "Course Participation/Grading/Late Policy" section of the "COURSE OVERVIEW START HERE" module for specific expectations.**

However, in general, you should plan:

- 6-week course: ~ 22-23 hours per week
- 8-week course: ~ 18 hours per week
- 16-week course: ~9 hours per week

This is a 2 Credit Hour class. Students should expect to spend 4-8 hours weekly on this class. This is an 8 week course.

Canvas Participation and Expectations

Consistent participation is linked to academic success; therefore, it is in your best interest to participate regularly throughout the semester and communicate with your instructor.

Please refer to your Canvas course's "Course Participation/Grading/Late Policy" section of the "COURSE OVERVIEW START HERE" module for further details.

Students should expect to spend at least 4 hours on this course weekly.

Participation and Attendance Policy

Attendance is a critical component of success in the Alternative Licensure Program (ALP). As post-graduate teacher candidates pursuing licensure to teach in K-12 education, consistent participation in all class sessions is essential for mastering the content and instructional strategies necessary for the classroom.

Alternative Licensure Program Attendance Requirements:

- **Attendance Threshold:** Teacher candidates may not miss more than 25% of their scheduled classes for any reason. Course meetings are defined as in-person or live Zoom sessions, depending on the instructional method of the course.
 - **For 8-week courses meeting twice per week**, this equates to a maximum of four absences.
 - **For 8-week courses meeting once per week**, this equates to a maximum of two absences.
 - **Attendance for EDUC 2998 (Field Experience):** Teacher candidates enrolled in EDUC 2998 (Field Experience) are required to attend all in-person classes. This 16-week course meets in person only four times per semester, making each session critical. There are no excused absences. Teacher candidates who miss one or more in-person classes will be required to retake the course to fulfill the program's requirements.
- **Instructor Discretion:** By policy, there are no excused absences at the instructor level. All absences, regardless of circumstance, are included in the 25% calculation.
- **Instructor Notification:** Notification of an absence must occur prior to the absence. This notification should include the reason for the absence and the preferred method of contacting the instructor as outlined in the course syllabus. This communication is part of the professionalism expected in the ALP program. Absences must be pre-approved by the instructor; however, they will still count towards the 25% absence threshold. By notifying the instructor, they can provide any resources or materials distributed during the missed session. Absences without communication with the instructor are deemed unprofessional and unacceptable in the ALP program.

Consequences of Exceeding Absence Limits:

- Students exceeding the 25% absence limit will be required to repeat the course and meet with the ALP Department Chair to reconfigure their degree plan.

Policy Authority and Contacts:

This policy is department-wide and has been approved by the Senior Director of Teacher Education. Students requiring further clarification or guidance regarding this policy are encouraged to reach out to:

- Instructor of Record (Your course instructor)
- Karen McKay, ALP Department Chair, mckayk@sanjuancollege.edu
- ElizaBeth Utley, Senior Director of Teacher Education, utleye@sanjuancollege.edu

Your dedication to meeting attendance requirements reflects your commitment to your professional growth and future success in K-12 classrooms. **Thank you for your understanding and adherence to this policy.**

Instructor Response Times & Regular Interaction Expectations

Communication is essential for a positive learning experience. Our commitment is to provide timely responses to your inquiries. Here is the response time policy for this course:

Monday through Friday:

- Written Communication: Instructors will respond to emails, messages, and other written communication within 24 hours.
- Telephone Calls: Instructors will aim to respond to telephone calls within 24 hours.

Weekends (Saturday and Sunday):

- Written Communication: Response time may extend from 24 to 72 hours during weekends.
- Telephone Calls: Instructors will strive to respond to weekend telephone calls within 24- to 72 hours.

Healthy and Safe Practices for Being on Campus

We want a healthy and safe campus for students, faculty, staff, and guests.

Contagious diseases and your responsibility:

If you have COVID-19 symptoms, fever, flu or even the common cold, you should stay home. Do not come to campus if you are feeling sick. Contact your instructor about missing class (and review your instructor's policies on missed or late work). Being sick does not necessarily excuse you from completing your work on time.

Safety on campus and your responsibility:

If you are on campus and experience or witness an emergency, call 9-1-1 first and then the Department of Public Safety at 505-566-3333 (or just 3333 if calling from a campus phone).

When you are on campus, be aware of your surroundings. If you need an escort to your vehicle, call 505-566-4444 (DPS non-emergency line) or 505-215-3091 (officer on duty line).

The College will send information for campus emergencies through SJC AlertAware, email and the webpage. Stay informed and stay safe.

Inclement Weather Information

Students will receive notification of class delays and cancellations due to inclement weather via the SJC AlertAware and SJC student email. Face-to-face classes will not meet in person; however, students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. Hybrid classes will meet as scheduled via zoom. For questions regarding your class delay or cancelation, please contact your instructor.

Online Course Fee

Online Courses - San Juan College requires all online courses to include some form of assessment to demonstrate the mastery of course objectives. This could include exams, capstone projects, e-portfolios, presentations, final papers or other appropriate assessments. The use of a proctoring

platform, plagiarism detection software or other method to ensure that assessments are completed by the enrolled student is required.

A course fee of \$5.00 is assessed for all online courses at San Juan College to cover the cost of the above services. Students who are required to take a proctored exam and choose to use a physical testing center outside the SJC Testing Center or SJC Disability Services will be responsible for the cost of using that center.
