

EMSP 230 Paramedic Clinical I Section Name Section Credit Hours Credits
Syllabus

Course Information

Meeting times and location: section meeting_times section location

Catalog description: Serves as the first clinical component of the paramedic program. Provides paramedic students an opportunity to apply their knowledge in real patient care situations. Clinical rotations include time in hospital departments such as emergency, intensive care, pediatrics, surgery, obstetrics, and respiratory and also at other sites including urgent cares, physician clinics, and daycare centers. Course is a minimum of 150 hours but may require additional hours to complete required skills. Taken in combination with theory and lab courses. Special prerequisite: Acceptance into the paramedic program.

Terms offered: Fall and Spring

Section-specific Course Description:

Course Level Objectives

1. Each student will be evaluated on the Daily Evaluation Forms included in this notebook and on CANVAS. You should be performing assessments every clinical shift, which will include a thorough physical assessment and history. Attempt skills as opportunity arises, so long as you have already been trained in that skill during paramedic class. Documentation of clinical skills is required and entails filling out daily evaluation forms with your preceptor. Do NOT limit your clinical experience to the requirements listed in this notebook. You will be doing a great disservice to yourself if you do not strive to meet and exceed the requirements. The clinical rotation allows skills to be practiced and, hopefully, perfected before beginning the field internship, thus we encourage each student to gather as much experience as possible.
2. Each student will meet, or exceed, the Minimum Student Competencies, per CoAEMSP, and the SJC Paramedic Program. See Clinical Notebook for details of SMC.

Required Technology and Software

- Canvas
- Chrome, Safari, or Firefox

Course Requirements

Students will do the following activities:

Grading

Final grades are calculated based on the following...

Key Dates to Remember

Student Support

At San Juan College, we are committed to supporting your academic success and overall well-being. We recognize that college life can be challenging and stressful, impacting both learning and personal health. We are here to help you succeed.

Academic Support and Resources

We provide a range of academic support services to help you stay on track on your educational journey. Free resources include tutoring, computer loans, life skills workshops, and so much more. Visit the [Academic Support and Resources](#) webpage to learn more about support and resources available through Academic Advising, the Tutoring Center, the Student Resource Center (formerly Student Achievement Center) and the Testing Center.

Student Support and Resources

If you or someone you know could benefit from counseling, accessibility services, career exploration, veteran transitional assistance, or any of our other support services, visit the [Student Support and Resources](#) webpage where you'll find detailed information about various resources available to you as an SJC student.

We encourage you to take advantage of these free resources to enhance your college experience and ensure your success.

College Policies and Resources for Current Students

The [Student Handbook](#) provides information on student support, student organizations, and student conduct policies at San Juan College.

The San Juan College catalog outlines the [Academic Policies](#) students need to know.

Healthy and Safe Practices for Being on Campus

We want a healthy and safe campus for students, faculty, staff, and guests.

Contagious diseases and your responsibility:

If you have COVID-19 symptoms, fever, flu or even the common cold, you should stay home. Do not come to campus if you are feeling sick. Contact your instructor about missing class (and review your instructor's policies on missed or late work). Being sick does not necessarily excuse you from completing your work on time.

Safety on campus and your responsibility:

If you are on campus and experience or witness an emergency, call 9-1-1 first and then the Department of Public Safety at 505-566-3333 (or just 3333 if calling from a campus phone).

When you are on campus, be aware of your surroundings. If you need an escort to your vehicle, call 505-566-4444 (DPS non-emergency line) or 505-215-3091 (officer on duty line).

The College will send information for campus emergencies through SJC AlertAware, email and the webpage. Stay informed and stay safe.

Inclement Weather Information

Students will receive notification of class delays and cancellations due to inclement weather via the SJC AlertAware and SJC student email. Face-to-face classes will not meet in person; however, students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. Hybrid classes will meet as scheduled via zoom. For questions regarding your class delay or cancelation, please contact your instructor.

Online Course Fee

Online Courses - San Juan College requires all online courses to include some form of assessment to demonstrate the mastery of course objectives. This could include exams, capstone projects, e-portfolios, presentations, final papers or other appropriate assessments. The use of a proctoring platform, plagiarism detection software or other method to ensure that assessments are completed by the enrolled student is required.

A course fee of \$5.00 is assessed for all online courses at San Juan College to cover the cost of the above services. Students who are required to take a proctored exam and choose to use a physical testing center outside the SJC Testing Center or SJC Disability Services will be responsible for the cost of using that center.
