## **Participation and Attendance Policy**

Occupational Safety 8 week courses have minimum time deadlines for lesson submissions. Students can proceed through the deadlines faster than scheduled and receive full credit. If progress is slower than the deadlines then zero credit will be entered into the grade book with no opportunity to resubmit. Both the end of course discussion assignment and the final exam are to be taken after all the assignments have been submitted.

## **Inclement Weather Information**

Students will receive notification of class delays and cancellations due to inclement weather via the SJC SunsAlert and SJC student email. Face-to-face classes will not meet in person; however, students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. The Attendance Assignment is due on the first Friday of the course as a participation grade to prove attendance in the course. If the instructor cannot prove that a student attended the course the student's name will be sent to the registrar's office the following Monday for automatic withdrawal.

### **Drop for Non-Attendance Procedure**

Students will be dropped from classes based on faculty reporting non-attendance by the first Friday of the course. Financial Aid will not be awarded for classes that are dropped for non-attendance. Being dropped and losing Financial Aid does not negate your financial obligation to pay for these classes. Students who do not attend and do not wish to incur any financial liability must drop classes before they begin. This action is being taken to remain in compliance with Federal Financial Aid Regulations. Should you have any questions, please contact Enrollment Services or Financial Aid. Remember, if you do not plan to attend, please drop your classes before the first day of class.

## Instructor Response Times & Regular Interaction Expectations

## Grading

Final grades are calculated based on the following...

### Grading Rubric Scoring

All SAFE courses utilize a Grading Rubric for organization and uniformity when scoring assignments. A perfect score on the rubric has 20 points which are divided into four general categories.

Answered questions (4): 4

Grammar / Spelling (4): 4

Concise / Accuracy (4): 4

Content / Quality (8): 8

Total: 20

**IMPORTANT NOTE:** The grades you will see in this class while the session is on-going are the cumulative averages of all assignments that have been posted and graded. Any assignments that have not been turned in will convert to an "F" at the end of the session. This means that your overall

grade that shows up during the active course does not reflect your true grade if any assignments are missing or not posted. This may affect your final grade point average.

SAFE 2480 Grading Scale

- A = 401 - 445

San Juan College does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, genetic, veteran’s status, or on the basis of any other category protected under federal, state and local laws. If you have experienced sexual harassment, sexual assault, or any other form of protected class discrimination, we encourage you to make a report. ## **7. Drop for Non-Attendance and/or Non-Participation**

### **Class Attendance and Participation Expectation:**

Face-to-Face -- Students are expected to attend and participate in class regularly. Any student missing more than 10% of consecutive class time, (For example, in a regular 15-week class

that meets twice a week, this equates to the student missing 3 consecutive classes) without consultation with the instructor may be considered as having abandoned the course.

On-line -- Students are expected to participate regularly and submit all course assignments, based on the course guide definition. A student who does not submit any assignments during a consecutive 10% of the course (1.5 weeks of a 15-week semester) without consulting the instructor, may be considered as having abandoned the course. Logging in does not meet the attendance standard.

Competency-Based Education Classes -- Students are expected to have regular and substantive interactions with their instructor and to actively work on course content. A student who has not submitted coursework, nor had substantive interactions with the instructor over a consecutive 10% of the term, without the instructor's prior approval, will be considered to have abandoned the competency progression. Last date of attendance will be recorded as the last date that coursework was submitted or that the student met with the instructor. For on-line learners, logging in does not meet the attendance standard.

#### **Failure to Meet Class Participation Expectation:**

Students who fail to meet participation expectations will have their last date of attendance recorded. This date will be used to recalculate any financial aid received/veteran's benefits received, and the student may be required to repay the institution/government. If the student does not drop the course, an 'X' grade will be recorded. An 'X' grade impacts the grade point average the same as an 'F'.

### **8. Grading Policies**

#### **Incomplete: Incomplete Grade Assignment ([Incomplete Grades Information](#))**

The grade of I (Incomplete) is given for passing work that could not be completed during the semester because of circumstances beyond the student's control. Ordinarily, the assignment of an I is given by the course instructor at the time final grades are due.

In no case is an I grade to be used to avoid assignment of D or F grades for marginal or failing work or to require a student to enroll in the class the next semester because work was not completed on time. Circumstances warranting the issuance of an I grade must be beyond the student's control and must be documented on the appropriate form prior to approval.

I grades can be removed only during the subsequent 16 weeks from the end of term, or within the time limit set by the instructor. Removal of an I is accomplished by completing the work in a manner acceptable to the instructor. Re-enrollment in the course under the repeat option does

not remove the prior grade of I. Students should not re-enroll for the course. An I not made up within 16 weeks or within the time limit set by the instructor will change to an F grade thereafter and cannot be changed by work completion.

## **9. Grade Appeals**

The policy for grade appeals is in the Academic Catalog ([Grade Appeal Policy](#)).

## **Student Handbook**

The Student Handbook provides information on Student support, student organizations, and San Juan College policies.

[Student Handbook](#)

## **Online Course Fee**

Online Courses - San Juan College requires all online courses to include some form of assessment to demonstrate the mastery of course objectives. This could include exams, capstone projects, e-portfolios, presentations, final papers or other appropriate assessments. The use of a proctoring platform, plagiarism detection software or other method to ensure that assessments are completed by the enrolled student is required.

A course fee of \$5.00 is assessed for all online courses at San Juan College to cover the cost of the above services. Students who are required to take a proctored exam and choose to use a physical testing center outside the SJC Testing Center or SJC Disability Services will be responsible for the cost of using that center.
