Required Texts and/or Materials

NA

Required Technology and Software

- Canvas
- Chrome, Safari, or Firefox

Course Requirements

Students will do the following activities:

Students will be asked to execute hands-on projects after a series of lecture, demonstrations and laboratory experiences. The instructor will use hands-on demonstration, lecture, and video instruction during class meetings. Students will be required to expand on the learning opportunities, develop an appreciation for the art of seeing, and develop a personal vision through their own experiments and assignments.

Students are required to purchase tools and supplies for this class. Certain prerequisites is required before taking this class. You should be familiar with what you will need as far as basic supplies and texts at this point.

Other Classroom Policies and Expectations

Student will maintain a clean personal workspace and help maintain the studio.

Grading

Final grades are calculated based on the following...

Category	Weight
----------	--------

Participation in Class	40
Required Projects	30
Vocabulary Test	10
Throwing Test	10
Work Outside of Class	10

Course Time Commitment

The standard is 6-9 hours outside of class for a 3-credit face to face course.

Canvas Participation and Expectations

Evaluation to be done in Canvas at end of course.

Participation and Attendance Policy

As almost all of this work, for this class, is done in the studio, students are expected to work in the studio for a minimum of two hours per week outside of class time. It is the student's responsibility to find out when the studio is open and to sign-in to let the instructor know of extra time worked. Three missed unmade-up classes will result in the lowering of your grade by one letter. Three unmade-up absences will bring another grade reduction by one letter and so on. Attendance is VERY important to your grade.

Instructor Response Times & Regular Interaction Expectations

.Students can expect to receive a reply to emails/Canvas messages within 24 hours during the week and on the first work day following a weekend or holiday. Student Hours are offered on a regular schedule each week (in person or via Zoom) and students may also schedule appointments, if those set times don't work. Students can expect exams and labs to be graded and scores posted within a week of the unit/assignment deadline. Online classes can expect weekly messages or announcements via Canvas. Feedback will be provided directly on your exams, discussions, and labs, as appropriate for that assignment.

Healthy and Safe Practices for Being on Campus

We want a healthy and safe campus for students, faculty, staff, and guests.

Contagious diseases and your responsibility:

If you have COVID-19 symptoms, fever, flu or even the common cold, you should stay home. Do not come to campus if you are feeling sick. Contact your instructor about missing class (and review your instructor's policies on missed or late work). Being sick does not necessarily excuse you from completing your work on time.

Safety on campus and your responsibility:

If you are on campus and experience or witness an emergency, call 9-1-1 first and then the Department of Public Safety at 505-566-3333 (or just 3333 if calling from a campus phone).

When you are on campus, be aware of your surroundings. If you need an escort to your vehicle, call 505-566-4444 (DPS non-emergency line) or 505-215-3091 (officer on duty line).

The College will send information for campus emergencies through SJC AlertAware, email and the webpage. Stay informed and stay safe.

Inclement Weather Information

Students will receive notification of class delays and cancellations due to inclement weather via the SJC AlertAware and SJC student email. Face-to-face classes will not meet in person; however,

students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. Hybrid classes will meet as scheduled via zoom. For questions regarding your class delay or cancelation, please contact your instructor.

Online Course Fee

Online Courses - San Juan College requires all online courses to include some form of assessment to demonstrate the mastery of course objectives. This could include exams, capstone projects, e-portfolios, presentations, final papers or other appropriate assessments. The use of a proctoring platform, plagiarism detection software or other method to ensure that assessments are completed by the enrolled student is required.

A course fee of \$5.00 is assessed for all online courses at San Juan College to cover the cost of the above services. Students who are required to take a proctored exam and choose to use a physical testing center outside the SJC Testing Center or SJC Disability Services will be responsible for the cost of using that center.
