Course Requirements

Students are required to bring their own hand tools and safety equipment to the lab. A list of suggested hand tools can be provided by the instructor.

Grading

Final grades are calculated based on the following...

40% Quizzes, labs, and chapter questions

30% Shop/classroom participation grade (includes attendance grade)

30% Final exam-written and hands-on(if applicable)

Course Time Commitment

Time will be required outside of class to read the text and answer end of chapter quiz questions. Time may also be needed to review for quizzes and to prepare for lab exercises.

Canvas Participation and Expectations

Grades will be entered on Canvas. Please notify the instructor promptly if there are any issues.

Participation and Attendance Policy

In accordance with new state financial aid guidelines, any student missing more than 10% of the classes will receive a failing grade. A student, who is not in the classroom when roll is taken, will be counted absent. If he/she arrives in the first 10 minutes, they will be counted tardy. After 10 minutes the tardy becomes an absence. Three accumulated tardies count as one absence. All absences will be classified as unexcused unless otherwise arranged with the instructor. If you are unable to attend class or will be late, it is your responsibility to call your instructor before class time, if possible.

All students should participate in classroom discussions and in lab exercises, the learning environment improves for all with active participation.

Instructor Response Times & Regular Interaction Expectations

Instructors will normally respond to phone calls/texts the same day. Please allow two business days to respond to emails.

Healthy and Safe Practices for Being on Campus

We want a healthy and safe campus for students, faculty, staff, and guests.

Contagious diseases and your responsibility:

If you have COVID-19 symptoms, fever, flu or even the common cold, you should stay home. Do not come to campus if you are feeling sick. Contact your instructor about missing class (and review your instructor's policies on missed or late work). Being sick does not necessarily excuse you from completing your work on time.

Safety on campus and your responsibility:

If you are on campus and experience or witness an emergency, call 9-1-1 first and then the Department of Public Safety at 505-566-3333 (or just 3333 if calling from a campus phone).

When you are on campus, be aware of your surroundings. If you need an escort to your vehicle, call 505-566-4444 (DPS non-emergency line) or 505-215-3091 (officer on duty line).

The College will send information for campus emergencies through SJC AlertAware, email and the webpage. Stay informed and stay safe.

Inclement Weather Information

Students will receive notification of class delays and cancellations due to inclement weather via the SJC AlertAware and SJC student email. Face-to-face classes will not meet in person; however, students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. Hybrid classes will meet as scheduled via zoom. For questions regarding your class delay or cancelation, please contact your instructor.

Online Course Fee

Online Courses - San Juan College requires all online courses to include some form of assessment to demonstrate the mastery of course objectives. This could include exams, capstone projects, e-portfolios, presentations, final papers or other appropriate assessments. The use of a proctoring platform, plagiarism detection software or other method to ensure that assessments are completed by the enrolled student is required.

A course fee of \$5.00 is assessed for all online courses at San Juan College to cover the cost of the above services. Students who are required to take a proctored exam and choose to use a physical testing center outside the SJC Testing Center or SJC Disability Services will be responsible for the cost of using that center.
