It is the student's responsibility to find out when the studio is open and to sign-in to let the instructor know of extra time worked. Three missed unmade-up classes will result in the lowering of your grade by one letter. Three unmade-up absences will bring another grade reduction by one letter and so on. Attendance is VERY important to your grade

## Instructor Response Times & Regular Interaction Expectations

Example: Students can expect to receive a reply to emails/Canvas messages within 24 hours during the week and on the first work day following a weekend or holiday. Student Hours are offered on a regular schedule each week (in person or via Zoom) and students may also schedule appointments, if those set times don't work. Students can expect exams and labs to be graded and scores posted within a week of the unit/assignment deadline. Online classes can expect weekly messages or announcements via Canvas.
