If I recognize the use of an Online translator for an assignment you will receive a zero.

3. Late assignments turned in up to two days after the due date will be graded on 90% if you have made prior arrangements with me; if you have not, you will receive a zero. I will not accept assignments after two days pass their due date.

Course Time Commitment

You should be prepared to dedicate at least 12 - 15 hours a week or more on assignments, homework, and viewing, studying, and reading course material.

Canvas Participation and Expectations

A list of your weekly assignments will be posted on Canvas. You are expected to log into Canvas every day after class to check and do your homework.

Homework assignments are due at three different days during the week. Be sure to plan your week based on these due dates. Due days are Mondays, Wednesdays, and Fridays at 9:00am.

If you do not understand your homework, talk to me before it is due so that you always come to class prepared.

Use Canvas email to communicate with me and your classmates. Check your Canvas email daily.

Participation and Attendance Policy

- Daily attendance and active class participation through Zoom.us are necessary and mandatory for improving your communication skills and your understanding of the language.
- Active participation is very important in a synchronous Spanish course. Participation is evident in your willingness to be actively involved, turning in assignments, emails to the instructor, checking your grade on a weekly basis, checking your assignments daily, and participating with other classmates.
- In addition to active participation, you need to do the following:
 - Check Canvas daily and on a frequent basis.
 - Start early and allocate enough time to complete the assignments.
 - Complete all vocabulary practices, journals, and assigned activities in MindTap on time.
 - Participate in class discussions.
 - Follow instructions, guidelines and advice for completing assignments
- It is important to log into Canvas frequently to check for homework and emails. You must have good communication with your instructor.

- Communicate with me about any problems related to the course and your ability to complete the assignments and understand the material. If a problem arises, email or call me as soon as possible - do not wait until the assignment is due. Please use CANVAS email to communicate with me. Keep in touch and ask for help.
- Numerous absences prevent you from learning core objectives to the class
- Punctuality is expected. Coming late to class disrupts your instructor, classmates and everyone's learning. We will frequently be working in groups and your tardiness will affect the group's assigned work. Come to class on time and be prepared. No matter what the reason for the tardiness or absence, failure to attend class always results in missed opportunities to hear and speak Spanish.
- Daily class activities receive a "Participation" grade that cannot be made up. Absences will affect your grade. In case of absence, it is your responsibility to communicate with me. You are required to go on Canvas and see what assignments need to be completed.
- If you are absent, the required assignments are still due on the designated due date.
- Please do not ask me to make exceptions for you as it is not fair to the rest of the class.

Instructor Response Times & Regular Interaction Expectations

Communicate with me about any problems related to the course and your ability to complete the assignments and understand the material. If a problem arises, please email or call me as soon as possible. Please use the CANVAS email to communicate with me. During the week I will respond to phone calls or e-mails within 24 hours. During weekends I will respond to phone calls or e-mails within 48 hours. I will post grades up to two days after you turn in an assignment during the week and three days during the weekend. All grades will be posted on Canvas. Keep in touch and ask for help.

Healthy and Safe Practices for Being on Campus

We want a healthy and safe campus for students, faculty, staff, and guests.

Contagious diseases and your responsibility:

If you have COVID-19 symptoms, fever, flu or even the common cold, you should stay home. Do not come to campus if you are feeling sick. Contact your instructor about missing class (and review your instructor's policies on missed or late work). Being sick does not necessarily excuse you from completing your work on time.

Safety on campus and your responsibility:

If you are on campus and experience or witness an emergency, call 9-1-1 first and then the Department of Public Safety at 505-566-3333 (or just 3333 if calling from a campus phone).

When you are on campus, be aware of your surroundings. If you need an escort to your vehicle, call 505-566-4444 (DPS non-emergency line) or 505-215-3091 (officer on duty line).

The College will send information for campus emergencies through SJC AlertAware, email and the webpage. Stay informed and stay safe.

Students will receive notification of class delays and cancellations due to inclement weather via the SJC AlertAware and SJC student email. Face-to-face classes will not meet in person; however, students are advised to check with instructors about alternative meeting options, as some may choose to meet via zoom. Hybrid classes will meet as scheduled via zoom. For questions regarding your class delay or cancelation, please contact your instructor.
