.5 CREDITS

# **SYLLABUS**

## CATALOG DESCRIPTION

PEC Basic Orientation is a one-day safety orientation that is accredited by both SafeLandUSA and SafeGulf. This course meets API RP 75 and API RP T-1 requirements. PEC Basic Orientation provides general safety information that workers need to know before entering a company facility and while performing their assigned work duties. Students will learn about hazards they may encounter in their workplace and become familiar with various practices to mitigate those hazards. Students will also gain understanding of their rights under OSHA and how those rights apply to their workplace.

Prerequisites:

Semester Offered: All

#### Common Student Learning Outcomes

Upon successful completion of San Juan College programs and degrees, the student will demonstrate competency in...

#### BROAD AND SPECIALIZED LEARNING

Students will actively and independently acquire, apply, and adapt skills and knowledge with an awareness of global contexts.

### **CRITICAL THINKING**

Students will think analytically and creatively to explore ideas, make connections, draw conclusions and solve problems.

## **CULTURAL AND CIVIC ENGAGEMENT**

Students will act purposefully, reflectively, and ethically in diverse and complex environments.

### **EFFECTIVE COMMUNICATION**

Students will exchange ideas and information with clarity in multiple contexts.

#### INFORMATION LITERACY

Students will be able to recognize when information is needed and have the ability to locate, evaluate, and use it effectively.

#### INTEGRATING TECHNOLOGIES

Students will demonstrate fluency in the application and use of technologies in multiple contexts.

Student work from this class may be randomly selected and used anonymously for assessment of course, program, and/or institutional learning outcomes. For more information, please refer to the Dean of the appropriate School.
