

PHOT-240- INTERMEDIATE DIGITAL PHOTOGRAPHY 3 CREDITS SYLLABUS

CATALOG DESCRIPTION

This course explores creativity and the making of personal images in the context of understanding visual culture and self-expression. Students will explore their interest in photography and learn to 'see' as a photographer. We will learn lighting both in the on campus studio and on location. Student will become proficient in writing and talking about photographs and how this impacts their own work. The course covers other photographers and art theory. The course uses Photoshop CC for editing and enhancing images. Included in class time is a lab.

Prerequisites: Phot 160

Semester Offered: Spring/Fall

Common Student Learning Outcomes

Upon successful completion of San Juan College programs and degrees, the student will demonstrate competency in...

Broad and Specialized Learning

Students will actively and independently acquire, apply, and adapt skills and knowledge with an awareness of global contexts.

Critical Thinking

Students will think analytically and creatively to explore ideas, make connections, draw conclusions and solve problems.

Cultural and Civic Engagement

Students will act purposefully, reflectively, and ethically in diverse and complex environments.

Effective Communication

Students will exchange ideas and information with clarity in multiple contexts.

Information Literacy

Students will be able to recognize when information is needed and have the ability to locate, evaluate, and use it effectively.
