

COMM 225-SMALL GROUP COMMUNICATION 3 CREDITS

SYLLABUS

CATALOG DESCRIPTION

Teamwork is an increasingly important skill in today's work place. Students in the class will learn to effectively interact in teams by studying the following small group communication concepts: group roles, group norms, leadership, group decision-making, and problem-solving. Students will be expected to apply course material to an extensive group project.

Prerequisites: RDNG 113

Semester Offered: On Demand

Common Student Learning Outcomes

Upon successful completion of San Juan College programs and degrees, the student will demonstrate competency in...

BROAD AND SPECIALIZED LEARNING

Students will actively and independently acquire, apply, and adapt skills and knowledge with an awareness of global contexts.

CRITICAL THINKING

Students will think analytically and creatively to explore ideas, make connections, draw conclusions and solve problems.

CULTURAL AND CIVIC ENGAGEMENT

Students will act purposefully, reflectively, and ethically in diverse and complex environments.

EFFECTIVE COMMUNICATION

Students will exchange ideas and information with clarity in multiple contexts.

INFORMATION LITERACY

Students will be able to recognize when information is needed and have the ability to locate, evaluate, and use it effectively.

INTEGRATING TECHNOLOGIES

Students will demonstrate fluency in the application and use of technologies in multiple contexts.

Student work from this class may be randomly selected and used anonymously for assessment of course, program, and/or institutional learning outcomes. For more information, please refer to the Dean of the appropriate School.

Course Learning Outcomes

Upon successful completion of the course, the student will be able to...

1. Articulate the theories and principles of group communication.
2. Recognize the role they and other members play in group interactions.

3. Recognize the norms, which function to control people's behavior in groups.
4. Apply group problem-solving and decision-making techniques to small group tasks.
